No matter if it is insurance for your home, auto, life, or business; make Sanar and Len your trusted insurance advisors. Insurance rates change every day, and they will do the research for you so that you don't waste time making phone calls. With BIG Tecumseh, you will never overpay for your policy again.

The BIG Tecumseh office is quickly approaching their 1 year anniversary, an office that began when Sanar and Len teamed up because they both wanted to help clients and the community have a better understanding of what goes into insurance policies, and to let them know that there are avenues available for better coverage and better service.

BIG Tecumseh is also proud to support BIG Heats, a charitable foundation that raises financial support for vulnerable children in Canada. BIG Hearts and BIG Tecumseh know that children are our future, and those children can have an improved quality of life to prepare them for BIG things when they have the support through fundraising efforts.

When not in the office, you can find Sanar with his wife and twin boys out at the soccer fields or baseball diamonds. Len enjoys spending time on the beach at his summer cottage with his wife and sons.
